

Australian Made Luxury Baths & Spas

100% Australian made and owned, we design and manufacture luxury baths and spas that bring the day spa sanctuary experience to your home.

Since 1994 AQVA has combined timeless symmetrical designs that have been painstakingly crafted to complement the human form, with the benefits of industry-leading Gelcoat composite construction resulting in baths and spas that are designed and built to provide a lifetime of luxury.

With a 10 to 15-year warranty on AQVA products, you can relax with the luxury experience you are seeking while dedicated customer service is only ever one step away.

Let us show you why we're the best Australian made luxury baths and spas available:

- 100% Australian owned and made – not just “Australian assembled”
- AQVA baths and spas are individually handmade with a focus on highest quality standards
- Careful attention is paid to “human form design” for optimal comfort
- Symmetrical and timeless designs that endure bathroom trends
- 5.0mm structural thickness for superior insulation and durability
- 10-year warranty on freestanding baths and spas / 15-year warranty on insert baths and spas

Every AQVA bath and spa is handmade with premium materials to provide an unrivalled relaxation experience for years to come.

UV Stable

Fade-resistant compounds result in a permanent white finish that outlasts industry standards.

Sanitary Grade & Scratch-Resistant

Provides an easy clean surface that also resists scratches and chips.

Shines Bright White For Life

Maintains an extremely durable gloss finish that easily lasts up to 20-30 years.

Polishable

Can be easily polished to restore a brand new lustre. Ideal for high-use day spa applications.
