MADE IN MELBOURNE

Made in Melbourne. Made to order. Composite and gelcoat construction with a medical-grade silk surface, scratch resistant under normal residential use, colour-fast and UV stable. SphearCore™ tri-fold construction supports thermal retention and structural integrity.

WARRANTY

Insert baths carry a 15-year domestic warranty, and freestanding baths 10 years, against manufacturing defects in bath structure and surface. Domestic use means clean fresh water, filled and emptied each use, subject to correct installation, use and maintenance. A separate two-year warranty applies to commercial installations.
